As we kick off our 2022-2023 South Winn Athletic Club Membership Drive we would like to thank you for your past, present and future donations. Without you, the donors, we would not have been able to support our student athletes year after year. In recent years, with your donations, we have been able to purchase new uniforms, athletic equipment, and Hudl; update the weight room and sports complex; and provide financial support for various state tournament teams. Without you, South Winn sports would not be where it is today.

This year we have some significant changes to our Membership Drive. South Winn School has decided to go electronic with the annual athletic season passes for both adults and students. With this change the Athletic Booster Club has decreased the number of athletic passes in our membership levels. To purchase season passes you need to go to www.hometownticketing.com. Student passes will be $50 and adult passes will be $80.00. Fans can still pay for individual events at the gate.

Our Membership Drive no longer includes athletic passes at all levels, but it does include concession stand punch cards and booster bucks and athletic passes for the high level donors. The concession stand punch cards can be used at all home high school sporting events. The booster bucks can be used to buy South Winn apparel from Press Play, Letterwerks and Sportsworld.

We would once again like to thank you for your continued support of the South Winn Athletic Booster Club.

Sincerely,
The South Winn Athletic Booster Club
