   A. Share the Conditions for Learning – Mr. Einck
      All Iowa public school districts will use Conditions for Learning Surveys (Surveys) to improve safety, student engagement and the overall learning environment so that all Iowa students have optimum conditions for learning. Student Information Packet & Parent & Staff Information Packet
      Mrs. Huinker commented that there were two different surveys as a parent and as an employee. Answers were different. One teacher/student/parent can really skew the data…..whether positive or negative.
      Updates from Instructional Coaches – Mrs. Huinker and Mrs. Peters
   B. Share DDSDP – Mrs. Pope
      There has been an increase in special education teachers and paraprofessionals at South Winneshiek in the last few years. This is due to fluctuation with students being identified and students moving into the district. We will always do what's best for our students, which includes providing proper staffing.
